

Multi-Digit *Multiplication*

5.NBT.B.5

Name _____ Date _____

Use the standard algorithm and show your work in the space provided. Line up place values carefully.

1. 34×6 .

2. 27×8 .

3. 145×7 .

4. Find the product: 53×40 .

5. Find the product: 62×30 .

6. 48×25 .

7. 73×56 .

8. 84×39 .

9. 126×34 .

10. 207×48 .

11. 315×26 .

12. 156×142 .
